ЗАЗ ОУА ГГГ

Now finite man with all his infinite dreaming (Louis Ginsberg) / Guard[s] my peaceful life with guns (George Johnston) /
 But ah, my foes, and oh, my friends, (Edna St Vincent Millay) / There's a race of... men that don't fit in (Robert Service) /
 The dark brilliance of the Mystery (Jack Kerouac) / Now seeps into the ... mind and lays its poison (Raymond Suster) /
 There are so many cumbersome ways to kill a man: (Edwin Brock) / ... and I leave secret witnesses (Kerouac) /
 [I would] of its vulgarity... (Robinson Jeffers) / This transcendental Brilliance (Kerouac) /
 [D]ecides [Life or Death] (Duncan Campbell Scott) / Was he free? Was he happy? ... /
 I see the armies of ... faces (Kerouac) / The question is absurd: (C.H. Auden) /
 While this America settles in fire (Kerouac) / While this America settles in fire (Kerouac) /
 [I] see the armies of ... faces (Kerouac) / The question is absurd: (C.H. Auden) /
 [I] see the armies of ... faces (Kerouac) / The question is absurd: (C.H. Auden) /
 [I] see the armies of ... faces (Kerouac) / The question is absurd: (C.H. Auden) /
 [I] see the armies of ... faces (Kerouac) / The question is absurd: (C.H. Auden) /
